

Welcome to the beautiful Charleston Harbor Marina! We are a 24 hour full service marina, which includes dockhands and fuel. Our business office is open from 9 am-5pm. If there is an emergency or you need assistance after hours please call our marina cell phone.

Our trolley schedule is complimentary to all transients. It picks up the front of the hotel. Please note there is a designated time for the grocery store available for marina tenant/guest. If you are going downtown the drop off/pick up location is at The Peanut Shop on the corner of N. Market and Meeting St.
